Elementary Continuity of Learning
Weekly Schedule

In order to stay connected and provide instructional support for students, classroom teachers will **schedule weekly class meetings and host academic office hours via Google Hangouts**. Check the classroom teacher's Google Classroom and communication from the teacher for a schedule of these Google Hangouts.

The suggested schedule below **represents 1 to 2 hours of daily directed learning activities**. All lessons and assignments for K-5 students for the week will be **in the classroom teacher's Google Classroom or the schoolwide Google Classroom as noted below by Monday morning**. All lessons and assignments for Young Fives students will be emailed to parents by Monday morning each week. **Assignments should be submitted to the teacher by the end of the day each Friday.** You are encouraged to utilize this schedule in a way that fits best for your family and for your child's learning routines to accomplish the learning activities by the end of each week.
