

Schoology Log-In Procedures for Students

1. In your browser, navigate to <https://romeo.schoology.com> in the URL field. Do not search for the word Schoology in a search engine; you will not be able to log in.
2. Use your school's Google credentials to log in to Schoology.

3. Once successfully logged in, navigate to the course you need to complete work in using the course menu.

- Once the course is displayed, either select from the current assignments list on the right or navigate through the course's folders to find your assignment.

The screenshot displays the Schoology interface for a course titled "SOC STUDIES 6 S2: 3(A), 4(A)" at Powell Middle School. The left sidebar contains navigation options such as "Materials", "Updates", "Gradebook", "Grade Setup", "Mastery", "Badges", "Members", "Analytics", "Workload Planning", "LockDown Browser", "PowerSchool", and "StudyMate". The main content area shows a list of folders: "Africa", "Southwest and Central Asia", "Monsoon Asia", and "Oceania & Antarctica". The "Monsoon Asia" folder is expanded, revealing assignments like "2nd Semester Study Guide" and "2nd Semester Study Guide KEY". The right sidebar features an "Upcoming" section with dates and assignment titles, including "FA: Population & Economic Activity - Oceania (5-7)". Red arrows indicate the navigation path from the "Materials" link in the sidebar to the "Upcoming" section on the right.

- Complete the requirements for the assignment and submit your work accordingly. How assignments are submitted will vary depending on the type of assignment. Follow the assignment's prompts to submit your work. If further assistance is needed for submitting each type of assignment, please navigate to this site for further assistance: <https://support.schoology.com/hc/en-us/articles/201001323-How-do-students-submit-assignments->
