

January 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for Amanda Moore Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Roger Bennett, principal, for assistance.

The AER is available for you to review electronically by visiting [MI School Data](#) or you may review a copy in the main office at your child's school.

For the 2021-2022 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2017-2018. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67% in 2016-2017. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

State law requires that we also report additional information for the last two years of the following noted below.

Process for Assigning Pupils to the School

Students are assigned to Amanda Moore Elementary School based on predetermined district boundaries. These boundaries divide students between five elementary schools. Additionally, students come to Amanda Moore Elementary School via school of choice.

The Status of the 3-5 Year School Improvement Plan

Amanda Moore Elementary School's current School Improvement Plan (SIP) is being revised this school year. Our decision to revise our plan was based on careful analysis of the impact of the pandemic on students, as well as student achievement data from MI-Access, M-Step, and other important benchmark assessments. This is a living document and is revised each year based on new data. Our current plan includes five goals for the areas of mathematics, science, reading, writing, and social studies. In addition we are focusing our plan on Social and Emotional Learning. We are continuing to focus on improving proficiency scores in all subject areas on state standardized assessments.

A Description of Each Specialized Program

Amanda Moore Elementary is a building that serves students in pre-kindergarten through fifth grade.

A Description of the Core Curriculum

To access information about our curriculum and its implementation at Amanda Moore Elementary School, please visit our website at: <http://romeok12.org/>.

Local Student Achievement Results

Beginning in the 2018-2019 school year, our school started using the NWEA MAP Growth Assessment as a local measure of student performance. In spring of 2021, our students' aggregate performance was at the 54th percentile in NWEA MAP Growth Reading and at the 52nd percentile in NWEA MAP Growth Math.

The Percentage of Students Represented at Parent-Teacher Conferences

Parent representation is crucial to a student's educational success. During the 2020-2021 school year, over 75% of parents/guardians attended conferences virtually due to the pandemic. During the 2021-2022 school year, we returned to over 96% of parents/guardians attending conferences.

At Amanda Moore Elementary School, we are very proud of our students' academic accomplishments. We will continue to meet or exceed the academic indicators set by the state of Michigan. The rigorous curriculum delivered by our outstanding staff members empowers ALL students to succeed! We are very proud of our students and believe that the support and involvement of our community is critical to their success.

Sincerely,

Roger Bennett
Principal
Amanda Moore Elementary School
Empowering ALL students to succeed!
