Hello Parents,

Your child is becoming a published author!

Our students are using ideas from the movie “Wonder” and our weekly Kenny Spear’s messages to create a class book. Kenny Spear talks about ways students can positively impact themselves as well as others around them. Each week he has a different positive message to the students. They will be writing and illustrating a one-of-a-kind book talking about a person that has positively impacted them and challenging others to do the same.

Attached is an order form where you can pre-order a copy of the book. It is not necessary to purchase, but we need your slips signed and returned by **Thursday, November 30th.** If you do not wish to purchase a book at this time, just check the box and sign at the bottom of the form. Scholastic has offered to publish a free class book. If your child's order/permission form is not returned, they will not be included in the book.

We encourage you to pre-order online, and you can save up to $3 on the price of a hardcover book. Simply go to www.studentreasures.com/preorder.

You’ll love seeing your child's writing and illustrations captured in this treasured keepsake and watching their face light up when they bring home this high-quality book. This is an exciting opportunity to showcase our student’s creativity! We are so excited to become published authors and to share our work with family and friends.

Sincerely,
Czartoryski, Phillips, Worbel and Reichard
