

July 21, 2022

Dear RCS Parents and Families,

I hope that your summer is going well. We are just past the midpoint of this summer and as we come closer to the end of July we are preparing for the start of the 2022-2023 school year. This midsummer update message is sharing important information with you that connects the closing up of last year with the new school year ahead. You can expect regular communications to resume in the next few weeks as we reopen all of our schools and excitement builds for the first day for students on Monday, August 29th. At your convenience, please take time to review the important information below.

Important Updates:

Bulldog Bulletin 2021-2022 Year in Review- I am pleased to share with you our summer 2022 newsletter that is our 2021-2022 Year in Review edition. Over the past few weeks we have experienced some logistical challenges with our printing company due to the demand and shortage of certain paper products. Because of this and the rising cost of printing services, we have chosen to publish this newsletter electronically. Parents, if your child is highlighted in this newsletter and you would like a printed copy please contact my office at (586) 752-0200. We have a limited number of printed copies for those who might want one as a keepsake. [Bulldog Bulletin 2021-2022 Year in Review](#)

2022 School Climate Survey- We spent extensive time this spring analyzing all the great feedback we received from the district survey we administered last semester. I am sharing the summary report with you in this letter and you will find an extensive list of reports and information posted on the district webpage under the "Inside RCS" tab. Thanks again to all of you who participated in the survey.

2022-2023 School Calendar and School Times- The 2022-2023 School Calendar was released last April and is available on the district website. We have confirmed our school times for next year and there will be no change. You can find the times for each level on the bottom of the calendar.

I hope the remainder of your summer is filled with a combination of rest, relaxation and fun. We will see everyone back in August and look forward to a great year.

Go Bulldogs!

Sincerely,

Dr. Todd R. Robinson, Superintendent
