### Policy 1002—Meetings of the Board of Education

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on District matters.

Meeting guidelines are as follows:

- Requiring individuals who wish to address the Board to identify themselves, their address, and any organization they may represent.
- Advising the public that, generally, the Board and individual Board members will not directly respond to comments or questions that arise during the public participation portion of the meeting.
- Requiring individuals who wish to address the Board to direct their comments to the entire Board and not to individual Board members, the Superintendent, other School District employees, or members of the audience.
- Prohibiting behavior that is intemperate, abusive, defamatory, or discourteous, or that otherwise interferes with the orderly conduct and timely completion of the Board meeting.
- Excluding from the meeting an individual who engages in conduct that constitutes a breach of the peace.
