

## FINANCE AND ACCOUNTING PATHWAY

Financial decisions are some of the most crucial choices for individuals and businesses. In this pathway, you will learn how to monitor opportunities and implement methods to help personal, private and corporate clients establish and maintain a stable financial standing.

If a student chooses this pathway, each academic year (10, 11, 12) they will be required to take core classes (Math, English, Science and Social Studies) in addition to one required pathway class.
