Millage Renewal Proposals

Vote February 27, 2024

No change to primary residence tax rates

Operating Millage Renewal...

- is not levied on primary residences (the home in which a homeowner lives); it only applies to businesses, second homes, vacant land, and rental property.
- renews the non-homestead millage (originally approved by RCS voters in 1994) for five years.
- generates approximately \$10,566,130 annually, which represents 12% of the school district's operational budget.
- is used to support school educational programs and services.
- is required of all Michigan school districts to receive their full share of state aid (per pupil funding).

Sinking Fund Renewal...

- generates approximately \$3.4 million annually.
- renews the sinking fund last approved by RCS voters in 2019 for another five years.
- is used to cover facility repairs and updates, allowing the operating budget to fund educational programs and services for students.
- renewal of the sinking fund will not replace the need for future bond proposals.
