

# Connecting to Wi-Fi Outside of the School Network

Every time you access a different Wi-Fi Network, you need to follow these steps for web filtering:

1. Click the **Settings** gear

2. Click **Wi-Fi** and choose a network (your home, the library, McDonalds, Starbucks, etc.)

3. Enter the Wi-Fi Password and click **Join**

4. You will notice the Wi-Fi line and a ✓ next to the network you are on.

5. Open **Safari**. Click on the plus + and click on **Google**
