2025 Open Enrollment
Benefit Guide

Open Enrollment November 11th – November 25th

OPEN ENROLLMENT CHECKLIST

- ✓ Review your benefit packet before making your elections.
- ✓ **Medical Elections will be made via paper form (located at the end of this packet) for this first initial year with The Pool.**
- ✓ **Dental and Vision elections will be made via MYMESSA portal.**
- ✓ If you want to participate in a FSA because you have a low deductible health care plan or are on your spouse's low deductible health care plan, **you will need to fill out a paper form (located at the end of this packet)**
- ✓ If you are eligible and elect to Opt Out of medical insurance to receive the monthly stipend incentive, you must complete the Health Benefit Opt Out Form located at the end of this packet. You will also need to provide supporting documentation as required.*

*All completed forms and supporting documentation are due to the RCS Benefits Coordinator's office within thirty (30) days of your benefits eligibility date, to ensure timely processing of your benefits and payroll deductions. Forms and supporting documentation can either be dropped off at the Business Services Office, mailed, or emailed accordingly:

Enrollment Opportunities

This Guide will give you an overview of the benefit plans we sponsor.

Open Enrollment

During open enrollment you may add, drop, or modify coverage. You will be locked into the plan selections from January 1 through December 31, unless there is a qualifying change in status event (marriage, divorce, birth, adoption or change in custody of a child, death of a dependent, change in employment status). All changes must be made within 30 days of the event.

Making Mid-Year Changes

Romeo Community School's medical, dental, optical and FSA program allows you to pay for benefits using pre-tax dollars. With this program, contributions are deducted from your paycheck before federal, state, and Social Security taxes are withheld. As a result, you reduce your taxable income and take home more money. How much you save in taxes will vary depending on where you live and on your own personal tax situation.

These programs are regulated by the Internal Revenue Service (IRS). The IRS requires you to make your pre-tax elections before the start of the plan year (generally during open enrollment)—January 1 through December 31. The IRS permits you to change your pre-tax contribution amount mid-year only if you have a change in status, which includes the following:

- Birth, placement for adoption, or adoption of a child, or being subject to a Qualified Medical Child Support Order which orders you to provide medical coverage for a child.
- Marriage, legal separation, annulment, or divorce.
- Death of a dependent.
- A change in employment status that affects eligibility under the plan.
- A change in election that is on account of, and corresponds with, a change made under another employer plan.
- A dependent satisfying, or ceasing to satisfy, eligibility requirements under the health care plan.

The change you make must be consistent with the change in status. For example, if you get married, you may add your new spouse to your coverage. If your spouse's employment terminates and he/she loses employer-sponsored coverage, you may elect coverage for yourself and your spouse under our program. However, the change must be requested within 30 days of the change in status. If you do not initiate your change on the MESSA employee website within 30 days, you must wait until the next annual enrollment period to make a change. Proof of change needs to be submitted to employeebenefits@romeok12.org within 30 days.

Please note: Health Savings Account (HSA) contributions are eligible to be changed at any time throughout the year and do not require a qualifying event to make a change.

These rules relate to the program allowing you to pay for certain benefits using pre-tax dollars. Please review the medical booklet and other vendor documents for information about when those programs allow you to add or drop coverage, add or drop dependents, and make other changes to your benefit coverage, as the rules for those programs may differ from the pre-tax program.

Breaking Down WMHIP/BCBSM Enhanced 500 Plans

What is a PPO? The WMHIP/BCBSM Enhanced 500 Plans (both 118 & 160) are considered true PPO's. PPO stands for Preferred Provider Organization. As a WMHIP/BCBSM PPO member, you have access to the worldwide network of Blue Cross Blue Shield PPO providers. To find BCBSM PPO providers, visit www.bcbsm.com. You don't need to choose a Primary Care Physician with a PPO—you can see any provider you want to see, even a specialist. There is a lot of freedom with PPO plans. You can see non-PPO providers, but your benefits will be reduced and you will pay more out-of-pocket.

How does deductible, coinsurance and out-of-pocket maximum work under the WMHIP/BCBSM Enhanced 500 plans? A deductible, coinsurance and an out-of-pocket maximum are three different terms that refer to different aspects of the plan's cost-sharing structure.

1. **Deductible:** A deductible is the amount of money that an individual must pay out of their own pocket for covered medical expenses before the WMHIP/BCBSM insurance starts contributing towards the costs. However, since the WMHIP/BCBSM Enhanced 500 plans are not considered true high deductible health plans (compatible with an HSA), all services are NOT subject to deductible.
 - Under a true PPO (non HDHP), the only services that would be subject to deductible (or coinsurance) are services that are considered diagnostic. To be considered diagnostic, your provider would bill as medically necessary (meaning there is a medical "problem" that they are trying to diagnose or fix).
 - Under the WMHIP/BCBSM Enhanced 500 plans, there are flat dollar copays for office visits, urgent care, emergency room, prescriptions, etc that are not subject to deductible.
 - For example, WMHIP/BCBSM Enhanced 500 0% plan has a \$500 single / \$1,000 2-person/family deductible. Members will have to pay the first \$500 single or \$1000 for 2 person/family of covered medical expenses before the insurance coverage kicks in. As a reminder, this does not include preventive care or flat dollar copays for office visit copays, urgent care copays, emergency room copays or prescription copays).
2. **Coinsurance:** If members elect the WMHIP/BCBSM Enhanced 500 plan that has 20% coinsurance, the coinsurance would apply AFTER deductible. Coinsurance works the same way as deductible (under the Choices plan), meaning it applies to diagnostic services. However, under coinsurance there is a cost-share, where the plan pays 80% of the cost of services and the member is responsible for 20% (after deductible). There is no coinsurance cost sharing with the WMHIP/BCBSM Enhanced 500 plan 0%.
3. **Out-of-pocket maximum:** The out-of-pocket maximum is the maximum amount of money that an individual is required to pay for covered medical expenses during a plan year. You could look at it as "worst case scenario" or a cap. Once this maximum limit is reached, WMHIP/BCBSM will cover 100% of the remaining covered expenses for the rest of the plan year.
 - **The out-of-pocket maximum includes the deductible, coinsurance and flat dollar copays (such as office visit, urgent care, emergency room and prescriptions).**
 - It is important to note that some expenses, such as premiums (what members pay in their paycheck to have the coverage), or non-covered services will not count towards the out-of-pocket maximum.

In summary, deductible and coinsurance are the initial amounts an individual must pay before insurance coverage begins, while the out-of-pocket maximum is the maximum amount an individual will have to pay for covered medical expenses in a plan year.

Breaking Down WMHIP/BCBSM Enhanced HSA Plans

Do the WMHIP/BCBSM Enhanced HSA (141/142 & 121/122) plans operate the same way for deductible / coinsurance as the WMHIP/BCBSM Enhanced 500 plans?

The answer is yes and no.

First what is different: Under a plan with a high deductible health plan (HDHP), aka WMHIP/BCBSM Enhanced HSA Plans, **all services with the exception of preventive care are subject to deductible**. There is no coinsurance (shared responsibility) under either WMHIP/BCBSM Enhanced HSA Plan.

Under an HDHP plan such as WMHIP/BCBSM Enhanced HSA Plans, there are no flat dollar copays prior to the deductible being met. All services including office visits, urgent care visits, prescriptions, emergency rooms, etc are all subject to the deductible. The plan operates this way in order to qualify as an IRS determined high deductible health plan eligible for an HSA (Health Savings Account).

- For example, WMHIP/BCBSM Enhanced HSA 0% Plan has a \$1,650 single / \$3,300 2-person/family deductible. Members will have to pay the first \$1,650 (single or \$3,300 for 2 person/family) of covered medical expenses before the insurance coverage kicks in.
 - As mentioned, the exception to this rule would be preventive services (such as annual exam or preventive lab work).
 - All other services office visits, urgent care, surgeries, outpatient procedures, prescriptions, etc will be subject to deductible before the plan will pay.

As for what is the same: The out-of-pocket will work the exact same way as the WMHIP/BCBSM Enhanced 500 plans. The out-of-pocket maximum is the maximum amount of money that an individual is required to pay for covered medical expenses during a plan year. Once this maximum limit is reached, WMHIP/BCBSM will cover 100% of the remaining covered expenses for the rest of the plan year.

- **The out-of-pocket maximum includes deductible, applicable coinsurance and prescription flat dollar copays.**
- It is important to note that some expenses, such as premiums (what members pay in their paycheck to have the coverage), or non-covered services will not count towards the out-of-pocket maximum.

Medical Plans

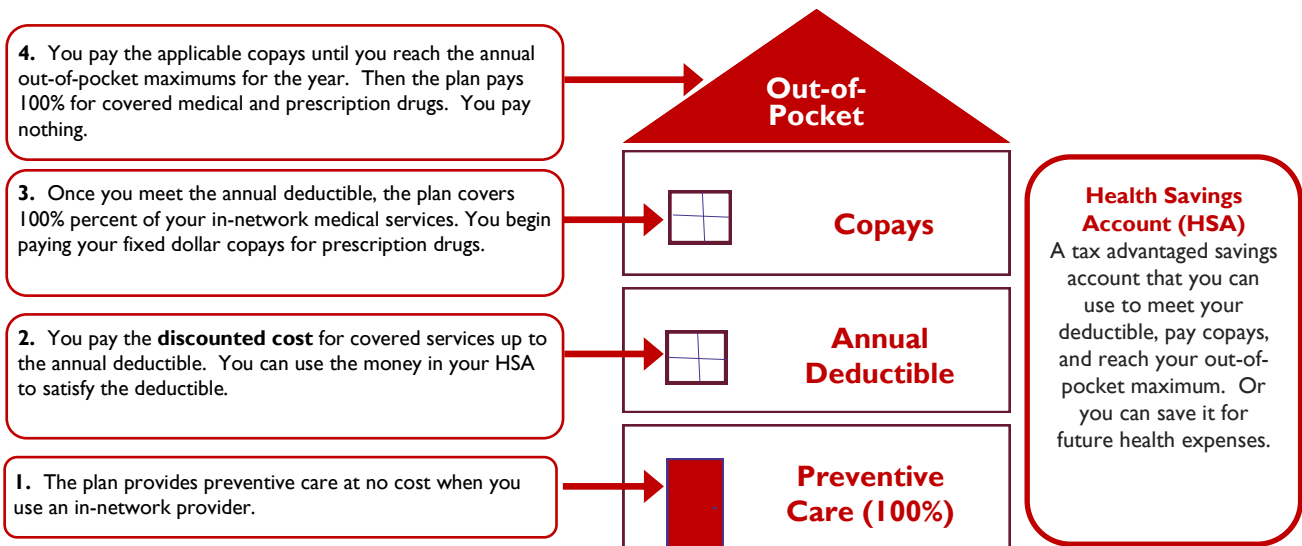

High Deductible Health Plans (PPO) with a Health Savings Account (aka WMHIP/BCBSM Enhanced HSA Plans)

The **WMHIP/BCBSM High Deductible Health Plans / HDHP (WMHIP/BCBSM Enhanced HSA 141/142 & WMHIP Enhanced HSA 2000 121/122)** works much like our other PPO Plans. A *high deductible health plan* pairs a high-deductible, lower premium health plan with a tax-free **Health Savings Account (HSA)**. All services, including prescriptions and office visits are subject to the annual deductible with the exception of certain preventive care services. Preventive care services are covered at 100% with no deductible when performed by a in-network provider.

HealthEquity is the administrator of the Health Savings Account (HSA) with the WMHIP/BCBSM Enhanced HSA plans. An HSA is an interest bearing account that enables you to pay for current health care expenses with tax-free money (such as deductible and coinsurance) or to save for future health care expenses. It is designed to follow you into retirement. Therefore, money rolls over year after year and earns interest.

It's important to note that the annual deductible under the WMHIP/BCBSM Enhanced HSA Plans works differently than the WMHIP/BCBSM Enhanced 500 Plans. Under the Enhanced HSA Plans two person or family coverage, benefits for an individual will be payable only when the **FULL** family Enhanced HSA Plans (HDHP) deductible has been met. That means that services for an individual are not covered after they have satisfied the individual deductible as they are under the other Enhanced 500 plans.

How the WMHIP/BCBSM Enhanced HSA (HDHP) Plans Work

For more info on HSA, go to www.healthequity.com or direct to the IRS website for Publication 969

WMHIP/BCBSM Enhanced 500 Plans vs. WMHIP/BCBSM Enhanced HSA Plans?

- **WMHIP/BCBSM Enhanced 500 Plans:** Lower-deductible health plans with higher premiums.
- **WMHIP/BCBSM Enhanced HSA Plans:** High-deductible health plans (HDHP) that save you money through lower premiums. WMHIP/BCBSM Enhanced HSA plans are also compatible with a tax-savings health savings account (HSA).

Medical Plans

Health Savings Account

- Health Savings Accounts (HSA) are **only** available to employees enrolled in the one of the WMHIP/BCBSM Enhanced HSA Plans aka High Deductible Health Plan (HDHP). To be eligible to contribute to an HSA, you cannot be covered by another health plan. This includes a Flexible Spending Account, Medicare or any health plan that does not qualify as a “high deductible health plan”. You must not have received VA benefits for non-service related care, or non-preventive Indian Health Services at any time over the past three months. Lastly, you cannot be claimed as a tax dependent by anyone else.
- You can use the money in your HSA to pay for medical expenses for yourself, your spouse and tax dependents even if they are not covered under the HDHP. With an HSA, you do not have to submit a claim with receipts. Instead, you’ll use the debit card to pay for medical expenses.
- The maximum annual contributions for 2025 are \$4,300 for single coverage and \$8,550 for family coverage.**
- Individuals age 55 or older (and not enrolled in Medicare) may contribute an additional amount referred to as a catch-up contribution. The maximum annual catch-up contribution is \$1,000.

Top Reasons to Enroll in an HSA

- HSAs triple your savings.
- Contributions are not taxed.
- Your earnings and growth are not taxed.
- Reimbursements to pay for medical care are tax free too
- The money in your account is accessible. You will receive a debit card, and by swiping the card at your doctor’s office or pharmacy, you withdraw money from your account. Or you can request a disbursement from your HSA from HealthEquity.
- There’s no “use it or lose it” rule. HSAs are designed to follow you into retirement. Therefore, the money rolls over year after year.
- Like your 401(k), HSAs grow with time. You earn interest on the money in your HSA, and better yet, can invest amounts over \$2,000 in mutual funds.
- You own it. You control it. No matter where you go or what you do, you can take your HSA with you.

HSA Example:

Justin is a healthy 28-year-old-single man who contributes \$1,000 each year to his HSA. His plan’s annual deductible is \$1,650 for individual coverage. Here is a look at the first two years of Justin’s HSA plan, assuming the use of in-network providers. (This example only includes HSA contribution amounts and does not reflect any investment earnings.)

Year 1	
HSA Balance	\$1,000
Total Expenses: - Prescription drugs: \$150	(-\$150)
HSA Rollover to Year 2	\$850
Since Justin did not spend all of his HSA dollars, he did not need to pay any additional amounts out-of-pocket this year.	

Year 2	
HSA Balance	\$1,850
Total Expenses: - Office visits: \$100 - Prescription drugs: \$200 - Preventive care services: \$0 (covered by insurance)	(-\$300)
HSA Rollover to Year 3	\$1,550
Once again, since Justin did not spend all of his HSA dollars, he did not need to pay any additional amounts out-of-pocket this year.	

HSA vs. FSA

What's the difference?

	Health Savings Account (HSA)	Flexible Spending Account (FSA)
What is it?	Tax-advantaged account owned by employee that allows the account holder to save and pay for qualified medical expenses	Tax-advantaged accounts owned by employer that allows employee to pay for qualified medical expenses
Who is eligible?	Individuals covered by a high-deductible health plan (HDHP) and who don't have other, non-HDHP coverage	Any employee, subject to employer-designed exclusions
Who can fund it?	<ul style="list-style-type: none"> Individual Employee via payroll deduction Employer 	<ul style="list-style-type: none"> Employee via payroll deduction Employer
Maximum annual contributions in 2024?	<ul style="list-style-type: none"> Individual - \$4,300 Family - \$8,550 <i>(Annual limit is subject to change according to the IRS rules)</i>	<ul style="list-style-type: none"> \$3,300 <i>(Annual limit is subject to change according to the IRS rules)</i>
Catch-up contributions?	Yes, ages 55 and older until they are enrolled in Medicare at age 65 - \$1,000	No
Is contribution amount adjustable?	Yes	No, unless there is a qualifying life event and the plan document allows for such a change.
Year-over-year carryover of unused funds?	Yes. An HSA is a savings tool. If you don't spend the money during the calendar year, it rolls over to the next year.	No, funds are forfeited to the employer at the end of the year unless the plan document allows for a carryover up to \$640.
Interest and earnings?	Yes	No
Is personal health information private?	Yes, employees do not need to disclose private health information to their employer or HSA administrator to get reimbursed.	No, employee has to provide explanation of expenses to employer and/or FSA administrator to get reimbursed.
Investment options?	Yes	No
Portability?	Yes, the employee owns the account and can use it in retirement or if they change employers.	No
If I close my account, can I receive any remaining balance?	Yes, if the employee is age 65 or older they may close the account and receive any remaining balance without penalties, subject to taxes.	No
Can I pay COBRA premiums or other plan premiums with it?	Yes	No

Flexible Spending Accounts

Flexible Spending Accounts let you pay for health care and day care expenses with tax-free dollars. They help you stretch your money and reduce your federal, state, and social security taxes. How much you save depends on how much you pay in income tax.

There are two types of accounts under this plan:

- **Health Care Flexible Spending Account (HCFSA)**
- **Dependent Care Flexible Spending Account (DCFSA)**

With an HCFSA or DCFSA, you decide before your benefits effective date (or start of new plan year) how much to contribute to each account. Your contributions are withheld in equal amounts on a pre-tax basis from your paychecks throughout the year. The money is set aside to use for out-of-pocket health care and dependent care expenses incurred during the plan year.

If you enroll in either of the Pool Enhanced HSA Medical Plans, you are not eligible to participate in the Health Care Flexible Spending Account.

However, you are eligible to contribute to an HSA and/or Dependent Care Flexible Spending Account.

If you rolled over money in your Health Care Flexible Spending Account from 2024 to 2025, you are not eligible to make any contributions to an HSA.

****New This year, FSA Debit Cards****

FSA 2025 Maximum Annual Contribution

Health Care: \$3,300

Dependent Care: \$5,000, or \$2,500 if married and filing separate tax returns

Less Annual Taxes (assumed at 25%)	(\$6,250)	(\$5,750)
Net Salary	\$33,750	\$32,250
Less Out-of-Pocket Health Care and/or Dependent Care Expenses for the Year	(\$2,000)	N/A
Disposable Income	\$31,750	\$32,250
Tax Savings	None	\$500

Flexible Spending Accounts

Health Care Flexible Spending Accounts (HCFSAs)

The HCFSAs help you pay for medical, dental, and vision expenses that are not covered by insurance, such as copays and deductibles.

- You have immediate access to your entire HCFSAs election as of January 1 (or, for new hires, as of your benefits eligibility date). Members have the option to pay for medical, dental and vision expenses via their debit card or through manual reimbursement.
- You may carry over up to \$660 of unused funds remaining in your HCFSAs at the end of a plan year, as long as you enroll in the FSA for the following year. This amount may be used for eligible expenses incurred during the entire plan year in which it is carried over. Please note that any carry over amount is in addition to the annual maximum contribution that you can elect, which is \$3,300. For example, if you carry over \$350 from your 2025 HCFSAs, those funds are available to you throughout 2026, until they are spent.
- Please remember to keep all documentation related to your FSA claims, such as itemized receipts and Explanations of Benefits as you may be asked to provide medical substantiation.
- For a complete list of the expenses eligible for reimbursement review Publication 502 on the IRS website.

Dependent Care Flexible Spending Account (DCFSAs)

The DCFSAs help you pay for dependent care services, such as preschool, summer day camp, before or after school programs, and child or elder daycare. **You can contribute up to \$5,000 into the DCFSAs in 2025.** But if both you and your spouse work, the IRS limits your maximum contribution to a DCFSAs.

- If you file separate income tax returns, the annual contribution amount is limited to **\$2,500** each for you and your spouse.
- If you file a joint tax return and your spouse also contributes to a DCFSAs, your family's combined limit is \$5,000.
- If your spouse is disabled or a full-time student, special limits apply.
- If you or your spouse earn less than \$5,000, the maximum is limited to earnings under **\$5,000**.

Your dependents must be:

- Under age 13 or mentally or physically unable to care for themselves.
- Spending at least 8 hours a day in your home.
- Eligible to be claimed as a dependent on your federal income tax.
- Receiving care when you are at work and your spouse (if you are married) is at work or is searching for work, is in school full-time, or is mentally or physically disabled and unable to provide the care.

Flexible Spending Accounts

DCFSA, continued

- You can only be reimbursed for dependent care expenses up to the amount you have already contributed to your DCFSA via payroll deductions. The full amount of your DCFSA election is not available on the first day of the plan year, January 1 (or, for new hires, as of your benefits eligibility date). If you file a claim for more than your balance, you will be reimbursed as new deposits are made.
- **There is no carry over feature for the DCFSA.** IRS regulations state money remaining in DCFSA accounts at the end of the plan year must be forfeited. This is referred to as the “use it or lose it” rule.
- Eligible dependent care expenses can either be reimbursed through the DCFSA or used to obtain the federal tax credit. You can not use both options to pay for the same expenses. Usually the DCFSA will save more money than the tax credit. But to find out what is best for you and your family, talk to your tax advisor or take a look at Publication 503 on the IRS website.
- If you contribute to a DCFSA, you must file an IRS Form 2441 with your Federal Income Tax Return. Form 2441 is simply an informational form on which you report the amount you pay and who you paid for day care.

In-network providers

Most eye doctors are in VSP's Signature network. Staying in-network makes sure you get the most value from your benefits and limits your out-of-pocket costs. In-network doctors bill VSP directly as a convenience to you. A directory of Signature network doctors is available at messa.org or vsp.com. Call VSP member services at 800-877-7195 for assistance.

Out-of-network providers

(Maximum reimbursement to patient)

If you choose to see a doctor who is not in the VSP Signature network, your out-of-pocket costs will likely be higher and you must submit the itemized receipts to VSP for reimbursement. For more information, visit vsp.com or call VSP member services at 800-877-7195.

Enrollment Forms

Health Benefit Opt-Out

Group ID 145 (All Groups)

(ONLY TO BE COMPLETED IF YOU ARE DECLINING MEDICAL COVERAGE)

I acknowledge that I have been given the opportunity to enroll in group health coverage offered by Romeo Community Schools and decline the opportunity to enroll in this coverage. I understand that I will not have another opportunity to enroll in group health coverage offered by the District until the next open enrollment period or the date of a qualifying event (if any) permitting earlier enrollment, assuming that I am otherwise eligible to enroll in coverage at that time.

I understand that, unless I have health coverage that satisfies my individual responsibility under the Affordable Care Act, I may be assessed a tax penalty for my failure to obtain coverage. I further understand that, even if I satisfy applicable household income requirements, I may not be eligible for a tax credit or subsidy for health coverage that I purchase on a health care exchange (Health Insurance Marketplace) for any month in which I was given the opportunity to participate in the District's group health coverage

Special Enrollments

If you are declining enrollment for yourself and/or your tax dependents (including your spouse) because of other group medical coverage, and lose access to that coverage, you may be able to enroll yourself and/or your dependents in this plan. In addition, in order to have special enrollment rights for you and your dependents, you must complete this form indicating that the other coverage is the reason you are waiving coverage under this plan and you must request enrollment within 30 days after your other coverage ends or after the employer stops contributing towards the other coverage.

I understand that I must provide proof of other coverage by attaching a copy of my insurance card to this form in order to be eligible for any applicable contractual monthly stipend incentive. If employed less than full-time, I acknowledge that the stipend will prorate in proportion to the percentage of my employment status (i.e., 80%, 50%, etc) as well as applicable current contract language.

Selection and enrollment in the Opt-Out Program after the first of the month will result in the Opt-Out stipend payment issued on the first of the following month. If eligible for non-medical coverage (Dental, Vision, Life and LTD), complete the necessary online enrollment. Contact the Employee Compensation Coordinator regarding the MESSA online benefits enrollment.

In addition, if you have a new dependent because of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and/or your dependent(s). However, you must request enrollment within 30 days after the marriage, birth, adoption or placement for adoption. To request special enrollment or obtain more information, please contact your Employee Compensation Coordinator.

Check here to confirm that you and your tax dependents (including spouse) are covered by other group medical coverage
