

The Apple Power Adapter and Cable

A **12W or 20W power adapter** and USB to lightning cable is issued with Y5 and K-1 Student District iPads. These are what should be used for charging the iPad.

- Please keep the charger and cable in a safe place at home.
- Both items will need to be returned with the iPad when your child enters 2nd grade or transfers out of the district.

Apple 12W USB Power Adapter:

Apple Lightning to USB Cable:

Apple USB-C 20W Power Adapter: (Issued with the 9th Generation iPad)

Apple USB-C to Lightning Cable: (Issued with the 9th Generation iPad)

A **5W power adapter** is **NOT** issued with District iPads and will not be accepted when an iPad is returned to the district.

Off-brand adapters and cables will not be accepted when turned in or as a replacement.
