YOUNG FIVES SCREENING

Children born prior to September 1st MUST participate in a screener to be considered for Young Fives. For students who currently attend preschool programs housed in Romeo Community Schools, one of our certified teachers will screen your child at their school during the month of February or March. Other students will need to sign up for a time for parents to bring the child to a screening appointment. Screening results will be communicated to parents after the screening.

PLEASE CHECK ONE:

- ☐ My child was born between September 1 and December 1 and does not require screening.
- ☐ My child currently attends ECSE (Next year's placement will be handled by your IEP team).
- ☐ My child currently attends a Romeo Community Schools preschool program (Croswell, Hevel, or Washington) and can be screened there.
- ☐ My child does not attend one of the above programs. Please email me with a link to sign up for a screening appointment. (The electronic sign-up link will be sent to your email by the end of this week.)

For resident students only:
